I (print name) _____ agree with the Vision, Mission and Values (see below) of the Athabasca Watershed Council. I understand that being a Director of the Board comes with both privileges and responsibilities. I will strive to be an active member of the Board and support the Council by participating in its activities and operations, including meetings, projects, events, fundraising and communications.

Signature: _____ Date _____

Vision: The Athabasca watershed is ecologically healthy, supporting resilient communities and a sustainable economy.

Mission: To demonstrate leadership and facilitate informed decision-making in the Athabasca watershed by bringing stakeholders and Indigenous peoples together to achieve our shared vision.

Values:

Water and Ecological Health

- A blessing and a gift, essential for the environment, economy, society, and the spirit

Inclusivity and consensus decision-making

- Building integrity and trust by respecting all points of view including the cultures, knowledge and communities of Indigenous peoples.

Accountability

- Being responsible, timely, transparent and purpose driven but also allowing for creativity, innovation, and organizational risk taking
